- Self-motivated and able to work on their own initiative
- Reliable and hard working
- An individual who is competent at working at heights and manual handling
- Good eye for detail
- Good communication skills with ability to work well within a team
- Good health and safety awareness
- Happy to work away from home on site across the UK
- Full driving license

Details:

- Competitive salary depending on experience
- Long-term position with excellent prospects for the right candidate
- Training opportunities available

Experience advantageous but not essential:

- Steel Erecting: 1 year ideally but not essential
- The ability to read and understand technical drawings
- Experience of working at heights
- Experience of steel erecting
- CSCS card
- Operator tickets including IPAF/MEP/telehandler
- Welding experience
